STATEMENT REGARDING ACCOUNTABLE GP

From the 1st of April 2015, the practice is required under the terms of the latest GP contract to allocate all patients a named accountable GP.

This is purely an administrative exercise in order that patients can have a named responsible GP should they require them.

For convenience your named accountable GP will be the named doctor you are registered with. If you wish to be told the name of your accountable GP, please ask the receptionists when you are next in the surgery.

Please note: there is no need to telephone the practice for this information.

Having a named GP does not prevent you seeing any other doctor in the practice. Your named GP will not be available at all times and if your needs are urgent, you may need to discuss them with an alternative doctor.

It has always been our policy at this practice to allow patients to make an appointment with the doctor of their choice and this will not change.
